ADCC

COMPETITIVE
ADVANTAGE

2024 VOLUME 1

THE #1 DANCE STUDIO
COMPETITION RESOURCE

From the President

Dear dance industry colleagues and friends,

Welcome to this year's first issue of **The Competitive Advantage** — here's hoping it finds you well! We know you'll find plenty of great opportunities to compete and grow in the hundreds of events listed here for next season.

So far in 2024, the ADCC has been busy creating opportunities for our members for networking and education, along with access to resources, as well as offering support and a great sense of camaraderie.

In this issue, we begin celebrating our **2023-2024 ADCC Studio of Excellence** winners. This award is given at each participating ADCC competition to the studio that best exemplifies the values of the ADCC, which include working together and striving for excellence. ADCC Studio of Excellence winners will be featured in the next two issues as well.

The ADCC's Annual Retreat this year will be held September 23-25 in Delray Beach, Florida, where our members will gather to share knowledge and experience, to learn from one another and experts in the field, and to gain insights that will help make our industry stronger and more diverse.

As the end of our 2023-2024 season draws near, I wish you an amazing and fulfilling 2025!

Yours in Dance,

Kayla Scurlock | ADCC President

THE HEADLINERS DIFFERENCE

- Photo and Video are included for FREE! Studios receive an emailed link after the event to pass along to dancers and families.
- Events begin no earlier than 8:00am and performances end no later than 10:30pm. Friday events start after school hours.
- 3 Levels of competition based on technical ability and execution of movements as well as class time.
- Judges must have training in all major forms of dance and must have experience teaching dancers of all ages and levels.
- Our Trophy or Charity program gives studios the opportunity to donate some or all of their adjudicated awards. We proudly partner with several charities that you can choose from during the registration process.
