SEPTEMBER 2021

2021

FROM THE PRESIDENT

Dear colleagues, members and friends,

I would like to begin by thanking my fellow ADCC members for having put their faith in me to lead the Association as President for the past year and a half. Upon accepting the position in September of 2019 and taking office January 1, 2020, I like everyone else, had no idea what was about to come.

We hit the ground running in January with plans on executing a variety of incredible projects and opportunities for our members to better serve themselves and the studios who support them. The arrival of COVID-19 and the heartache that came with it not only changed and halted those plans, but also threatened the collapse of our great industry.

The ADCC Board and I were not prepared to deal with a crisis of this magnitude—however, we had no choice but to move the Association forward to the best of our ability, as we all had to do with our own businesses. This task was hard, this task was not one that anyone wanted, but this task was necessary. As difficult as it was at the time, I can now reflect back and appreciate the love, creativity, and camaraderie that rose up from the ashes of this horrific event. Competitions worked together, conventions worked together and studios worked together for the sake of our industry and the young dancers we all serve.

Now as my two-year term as President comes to a close, and a new President is elected, I thank you all for the opportunity to share the best part of yourselves and your businesses with me. I love my fellow ADCC members and will remain committed to you as I transition into my role as Past President. I am so very proud of the progress we have made under the worst possible conditions. The ADCC is stronger than it has ever been before and many of the plans we were forced to put on hold are now being executed with lightning speed!

I wish the new President all the best of luck as we forge forward into 2022. It has been my pleasure to have served the members of the ADCC and I pledge to support the new President through every means possible.

I would also wish our studio friends and colleagues from around the country all the best of luck with your fall registration and we look forward to seeing you at ADCC member competitions this coming season!

Warmest regards,

Sean Flanagan | ADCC President
THE UNITED STATES TOURNAMENT OF DANCE & CRU DANCE

“ WHY ATTEND ADCC COMPETITIONS & CONVENTIONS? ”

“We are so excited to win this award at a National competition. This is the first time winning this award at an elite level. We are in the process of building a brand new studio and cannot wait to hang this banner for everyone to see. This was a perfect ending to a crazy year. The kids persevered, bonded together, became stronger as a dance family, and supported one another every step of the way. We are so excited to continue this momentum into the 2021-2022 season.”

REED PERFORMING ARTS COMPANY, LEE'S SUMMIT, MO, SPOTLIGHT DANCE CUP

“As dance arts advocates, we believe in setting our standards high to enable each student to reach their highest potential. The recognition we received from ADCC shines a light on the work we have achieved and encourages us to continue on!”

ARTS IN ACTION WV, HURRICANE WV, ON POINT NATIONAL DANCE COMPETITION & STARPOWER NATIONAL TALENT COMPETITION

“It's an honor to receive this award and given the circumstances of the last year it means so much more! Our students really worked hard all year even on Zoom and this is just a great way to acknowledge all the work that went into getting them back on stage!”

THE MOVEMENT, CYPRESS, CA, RAINBOW NATIONAL DANCE COMPETITION

“We are a small studio from a small town so to be recognized by the ADCC proves that our dancers and staff are hard working and their love for the art shines through in every routine they put on stage along with how they treat fellow dancers and others.”
